Tuesday, March 15, 2022, 6:00PM

Mountain Mikes Pizza, Oroville

GENERAL NEWS

February Meeting Recap

The Secretary called the February meeting to order at 6:12PM. The meeting was attended by 7-members and 2-spouses.

Old Business:

- The January meeting minutes were read and accepted.

Treasury Report:

- The treasurer was not in attendance. However, the treasurer reported that club funds had increased by approximately \$500 from payment of dues.

New Business:

- A request to add the current number of paid members to the newsletter.
- Discussion regarding when dues shall be paid, when dues are considered delinquent and pro-rating dues. This item needs to be discussed by the Board members and brought to the membership for consideration.
- Gate Lock procedures. When members open the gate, relock the OAC lock to allow other users (gun range) to lock gate. OAC field users can swing gate open, but must lock padlock as if gate is closed. See pictures. As always, when leaving make sure no one will be locked inside area.
- OAC Webside, Members are concerned that it is not finished after several years. Several members have stated that they know of people that are interested or who can be paid to work on website. Members want a map to field, events listing, dues payment function, contact information, and a roster of members accessible by current members.

Show and Tell:

- Eric D. discussed an aviation history class currently taught at a Chico State campus. The Osher Lifelong Learning Institute (olli.csuchico.edu) offers the class and others for a fee.

The meeting adjourned at 6:48PM.

As noted in the February Meeting minutes, after opening the gate, replace the lock in the CLOSED position. See the attached picture of what the gate latch should look like after a member first opens the gate to access the field. This arrangement allows the last person from any group to lock the gate using their lock.

CLUB STUFF

Seven members were present at the February meeting. Current paid membership numbers 40.
