GENERAL NEWS

Meeting Location

The May meeting will be held at the Bruce Wallace Memorial Field.

Ed O., our President who recently was having some health issues attended the April meeting. Welcome back Ed.

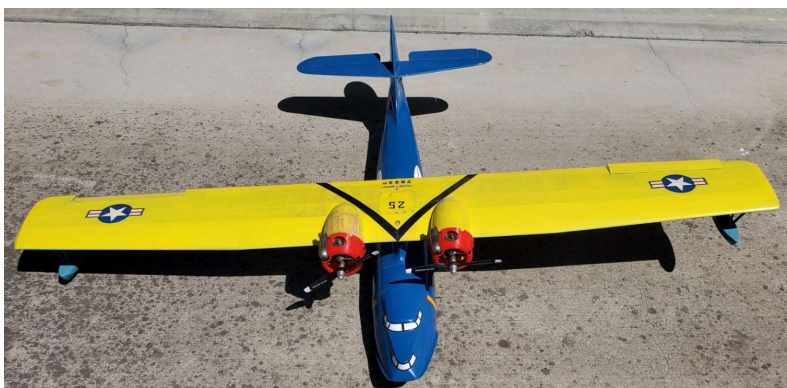

Dennis Baker, one of our members, has passed away. His passing was on or about May 5. Information regarding a service is unavailable at this time. The Oroville Air Corps offers its condolences to Dennis's family.

At the April meeting, a field cleanup day was scheduled for May 7. Reminders and calls for help were made at the meeting, via email and on Facebook. Nine members showed up and worked several hours cutting weeds, removing old tables, and repairing the shade cover. Dave M. delivered the new picnic tables. These were placed along the fence. Randy and Larry appear to be enjoying the new tables. Thanks to Randy, Bob, Larry, Paul, Dave, Billy, Jeff, Merle, and Eric for their help.

The Woodland Davis Aeromodelers Inc. had a Swap Meet and Open House on April 23 & 24. Did any members attend? Would like to hear how their event went. Perhaps the OAC should have an Open House and Swap meet now that

the field looks great.

PBX Catalina in pre-war markings(?). All wood construction, doped and powered by OS 10s RC engines. 3D printed cowls to replace the wooden originals. Might fly one of these days.
