

FLIGHT LINE

AUGUST 2022

Regular Meeting

Tuesday, August 16, 2022, 6:00PM

Bruce Wallace Memorial Field, Oroville

GENERAL NEWS

Meeting Location

The August meeting will be held at the Bruce Wallace Memorial Field.

Model Aviation Day

Model Aviation Day is August 13, this coming Saturday. The OAC is not planning any official activities, just a friendly get together. If you have something to fly, then by all means bring it out and enjoy flying with members of the OAC.

The SAM 30 Hayshakers, are planning a BBQ and Fun Fly to celebrate Model Aviation Day. Their event starts at 10AM and OAC members are invited. There will be food and drink. The Hayshakers field is located on Cox Lane, 0.7 miles east of Lone Tree Road. Thanks for the invite Hayshakers.

The July meeting was attended by 7-members. The June Minutes were read and accepted. A treasurers report was presented. Model Aviation Day, August 13, was discussed and no official event will take place. However, members are invited to come out and fly. An OAC website update stated that the Pay function was not working, which was reported as working in the July newsletter. It was stated that new forms would appear on the website for renewals and new members' applications. Upon form submittal and approval, a link will be provided to allow members to pay. A forum section is proposed with access limited to paid club members only. (Note, the website is a continuing work in progress.) The Vice-President is resigning his position. This position will become open to nomination in October/November and effective January 1, 2023. The existing shade structures recently suffered wind damage. Upgraded shade structures are being investigated to potentially replace what is currently installed.

Bill and Dane are having a great weekday fly. Daryl's Timber chasing an RC Boat on the Afterbay.

CLUB STUFF
