

FLIGHT LINE

JULY 2022

Regular Meeting

Tuesday, July 19, 2022, 6:00PM

Bruce Wallace Memorial Field, Oroville

GENERAL NEWS

Meeting Location

The July meeting will be held at the Bruce Wallace Memorial Field.

Bill Pascale, former OAC President, passed away on June 15, 2022. Bill presided over the club in 2013. No services are planned. Bill, on the right, ready to fly drones with the Editor. Bill will be missed. Condolences to his family.

The field once again has shade over the plane preparation tables. If you enjoy the shade, be sure to thank Paul, Billy, Daryl and your Editor for putting up the structures and shade tarps. The shade is very welcome when it gets hot this time of year.

At the June meeting, a complaint was presented. Several of our members empty the trashcans located at the field. The complaint is the liquids that may remain from unfinished sodas, water etc. dumped into the trashcans. When the members remove the trash bags, the liquids have leaked into their vehicles creating a mess. Removing the trashcans was discussed; however, this idea was shelved for the time being. If a member disposes of a soda can, water bottle, etc., please empty the liquids away from the flying and parking area. Better yet, just haul it back with you.

Several of our members attended and participated in the Central Valley Heli-fest at the Associated Modelers of Sacramento site July 7-10. I believe this was a first time event at AMOS.
