

FLIGHT LINE

MAY 2023

Regular Meeting

Tuesday, May 16, 2023, 6:00PM

Bruce Wallace Memorial Field, Oroville

GENERAL NEWS

The May meeting to be held at the Bruce Wallace Memorial Field.

April Meeting Topic(s) of Interest:

At the April meeting, a question was brought forward asking for clarification regarding the legality of fishing on the north side of the afterbay channel. Dave M. contacted the Department of Fish and Wildlife and spoke to Wildlife Manger (WM) Dill. WM Dill stated that fishing is allowed on the north side of the afterbay channel. However, not allowed is the parking of vehicles inside the fenced area not specifically using the firing range or OAC field. Walk-ins are welcome, as long as their vehicles remain outside the fence.

If members see anyone not using the firing range or flying field (i.e. fishing), please explain that they are welcome but kindly ask them to park outside the fence or they could become locked in. Thanks Dave for checking on this.

Some of the white chairs lifespans have expired. Can someone remove their remains and dispose of them properly? The use of the new grey chairs are encouraged. Please put them back in the shed when finished using them so they do not rot in the sun.

Several of the plane stands need repair. The permanent shade structure needs repair. Is everything falling apart at the field? Are any OAC members willing to work on these items? A group email to the membership seeking assistance for this work would surely get a response. A field maintenance day in June will be proposed at the May meeting. If some of this work has been done, a big Thank You to those members who took it upon themselves!

Events

The Oroville Air Corps is having a 'Summer' Surf-n-Turf Flying Event. The event is June 10-11. See the attached flyer for details.

Cool Refreshing Float Plane. A Swoose on the Afterbay. Bring your planes to the June event.

CLUB STUFF

April Meeting Recap

Ten members and 3-guests attended the meeting. Current membership estimated at 50.

Old Business:

- March minutes read and approved.
- No Old Business.

Treasury Report:

- A report on the current funds was not provided.

New Business:

- The question regarding fishing on the north (OAC) side of the afterbay channel was answered. Dave M. contacted the Dept. of Fish and Wildlife and they said it is OK to fish on the north side of the afterbay, however, parking for fishing is outside the fence.
- Items at the field need repair, plane stands and the shade structure.
- Damaged or broken white chairs needs to be disposed.
- May meeting at field.
