This is an updated report for the Surf-n-Turf Flying Event at the Bruce Wallace Memorial Field on

October 8 & 9. The event was CD'd by Larry Sheppard. Thirteen pilots registered to fly both days. A few pilots were from the Red Barons club and flew from the water. The

weather was very cooperative, not hot or windy. Larry stated that after expenses, the club netted \$99 and Larry threw in a \$1 to make an even \$100. Larry did say that the price for lunch may need to increase in the future (at the current cost of \$5, lunch is a great deal). Here are a couple of pictures from the event.
