

FLIGHT LINE

July 2024

Regular Meeting

Tuesday, July 16, 2024, 6:00PM

Bruce Wallace Memorial Field (OAC Field), Oroville

GENERAL NEWS

The July club meeting will be at the Bruce Wallace Memorial Field (OAC Field), Oroville, Tuesday, July 16 at 6PM. The Field is located at 5409 Wilbur Road, Oroville.

June Meeting

Thirteen members attended the June meeting. The Secretary read the May minutes, which were approved. The Treasurer presented a treasury report. The results of the Heli Fun Fly were still being tallied and not included in the treasury report. New Business: a report on the June Fun Fly; interest from a float-fly group looking to relocate to OAC field; and a member asking if there is interest in pylon racing. The cracks in the runway were discussed and a member offered to bring a piece of material to try to cover the crack. Show and Tell. Larry brought a 1/6 scale Balsa USA Sopwith Pup. It is flying with a NIB OS FS-48. For a 20-year old model it was nice looking. The meeting was adjourned.

June Fun Fly

The Surf-n-Turf Fun Fly took place at the OAC field on Saturday, June 1, 2024. Twenty-three pilots registered and all flew it was reported. Several fliers from as far as Lake Havasu and Lake Lahontan attended the event. The entry and food fees covered the cost of the event. Thanks Larry for putting on this event.

Pylon Racing

Doug B. is looking to see if there is any interest in pylon racing. He stated that the E-flite UMX Conscendo would be a great spec plane for racing. The Conscendo offers 4-channel control and can use 2S and 3S batteries. Always important, it currently only costs about \$160 w/o batteries or transmitter. Most flyers have a Spektrum radio which can be bound to the Conscendo. If you are interested come to the next meeting or flying field during the week and let Doug know.

CLUB STUFF
