## **GENERAL NEWS**

The March club meeting will be at Mountain Mike's Pizza in Oroville, Tuesday, March 18 at 6:00PM. Mountain Mike's Pizza is located at 1901 Oro Dam Blvd., Oroville.

### **February Meeting**

Jeff D. recorded the meeting minutes which in general are presented below.

12 members attended the April meeting. Meeting was called to order at 6:13pm. January meeting minutes were read by Jeff D. A motion was made to accept and the motion was seconded and approved. A treasury report was given by treasurer Larry S. (The amount in the treasury was omitted from this newsletter.)

Old business:

1) The ordering of 1 shade canopy was discussed. Jeff D. passed out color samples and it was decided that the blue color should be ordered. Paul S. had previously measured the remaining canopies and it was decided that the new canopy will be approximately the same size as the other 2 blue canopies that we already have. Jeff D. will order it.

2) The type of cord to use for tying down the canopies to the shade structures was discussed. Paracord was discussed but deemed too small at 5/32" in diameter for our needs. It was decided that we should look into braided nylon rope that also has a braided center core which would be similar to paracord only in a larger diameter of approximately 1/4". Amazon was briefly browsed for nylon rope, however Gene said he would check to see what the price would be if he were to order it through the hardware store where he is employed. We would need approximately 500-600'.

New business:

1) Jeff D. gave an update on our website weather widget. Ian W. had noticed that the widget was set for Oroville Washington instead of Oroville California, which was problematic. Jeff D couldn't find a way to fix the widget on the originating website so he installed another one from windy.com that does work for our location. It was suggested to use the weather at Oroville airport for more accurate weather conditions.

2) Bill Aston would like his phone # added to the newsletter where the club officers are listed and to the website also. Jeff D. will add it to the website.

The next monthly meeting will be on March 18, 2024 at Mountain Mike's Pizza at 6:00pm.

At some point around 6:48pm the meeting was adjourned.

A sincere thanks to Jeff D for taking the February meeting minutes. Editor.
