June 2025

Regular Meeting

Tuesday, June 17, 2025, 6:00PM

Bruce Wallace Memorial Field, Oroville

GENERAL NEWS

The June club meeting will be at the Bruce Wallace Memorial Field, Oroville, Tuesday, June 17 at 6:00PM. The field is located at 5409 Wilbur Road, Oroville.

May Meeting

The May meeting started at 6:15 pm. Members present: 11. The April minutes were read by Jeff D and approved. Treasury Report: No Treasury report was filed.

Old Business:

Swap Market: The Swap Market and Fun Fly held on May 3rd was very well attended. Larry provided lunch and the donations exceeded what we would have made if we had charged for admission. It was said that we would have to do this monthly during good weather.

Helicopter Fun fly: The Heli Funfly was a success with 23 pilots registered from as far away as the Bay Area, Los Angeles and Silver Springs, Nevada. Larry S. prepared delicious lunches of hamburgers, Polish hot dogs, fries and a drink. Thank you Larry for preparing lunch and attending the event despite an eye problem all weekend! Larry also flew his seaplane all weekend when he wasn't busy with other official duties. Chef Greggor M. prepared fantastic main courses for dinners, including pulled pork on Friday and beef brisket on Saturday. Sides were provided by Jeff D., Bob O. and Jen M. and included chili, cornbread, biscuits, pasta salad and a drink. Everyone congratulated us on a "fun" fly, just the right size for everyone to fly without having to wait. We can't wait for next year!

New Businesses:

We have 2 new members. Paul gave a brief description of the sails that are on sale at Costco. They cost \$299.99 and he said we should have purchased covers since they only come with the cheap plastic tarps. The meeting was closed at 6.43pm. Until we meet again!
(The May meeting notes were recorded by Jeff D., Thanks Jeff)

Extras

The aircraft at right, a Sopwith Camel 2F1 is displayed at the Imperial War Museum in London, UK. This particular aircraft is a navel version, flown by Flight Sub-Lieutenant Stuart D. Cully and was used to shoot down German Zeppelin L.53 on 11 August 1918.
