Regular Meeting

Tuesday, September 16, 2025, 6:00PM

Bruce Wallace Memorial Field, Oroville

GENERAL NEWS

The September club meeting will be at the Bruce Wallace Memorial Field, Tuesday, September 16 at 6:00PM. The field is located at 5409 Wilbur Road, Oroville.

August Fun Fly and Swap Meet

The OAC had another fun fly and swap meet for club members on August 16. This event followed on the success of the July fun fly. The weather was perfect for flying. Airplanes and helicopters took to the air throughout the morning and early afternoon. Jeff fired up

his BBQ and grilled hotdogs for lunch. Several members responded to the request for potluck items and brought salads, spicy beans and deserts. The club paid for the dogs, chips, drinks and offers

thanks to the members that brought the potluck items. One OAC member had family attend to watch him fly his EDF. It was another great event for the membership.

September Surf-n-Turf

The OAC is hosting the Surf-n-Turf event on September 19-21, 2025. Larry S. is the CD. Wheeled and float aircraft are welcome to this event. AMA is required. See the attached flyer for additional details.

Field Update

After discussion at the August meeting, new shade structures will be purchased and installed in 2026. The new shade structures will replace the older structures to the east of the storage container. The older shade structures will be relocated closer to the water to offer shade to float flyers. In addition, another 'gate' will be installed in the east fence providing access to the plane stands.

Member Note-Celebration of Life

A celebration of life for Mike Wheeler, an Oroville Air Corps member who passed away on May 17, 2025 is scheduled for Saturday, October 4, 2025 from 2:00-4:00PM at the Guadalajara Restaurant, located at 860 Main Street, Red Bluff.

Event Update

Larry S. participated in the Warbirds over Livermore 2025 Event hosted by the Livermore Flying Electrons. Larry stated this was a great event, which included night flying. However, high winds grounded Larry's aircraft.
