Old Business:

Discussed the two pilot stations that Jim donated and Ian has some wire fencing he will bring down to put on them and Larry said he would weld one of the joints that is broken.

Larry is going to get some signs made with phone numbers for DWR Security. It will take a couple of weeks.

Discussed the gate locking process.

Concrete tables are flooded now, so they will probably not get moved this year.

Jeff asked about the updated membership list.

Larry will be at the Cox Field (930 Cox Lane, Oroville) mowing it on Thursday and getting it ready for the Dawn Patrol this weekend, July 24th, 25th, and 26th. Saturday lunch will begin at noon, and it is \$10, and Saturday night is a steak dinner for \$15, beginning at 5:00 P.M. Everyone is welcome and it is focused on World War I planes. The raffle prizes will be a 1/6 scale Newport 17, a Spektrum NX6 radio and a couple other items. The raffle will be held on Sunday about noon. Do not need to be present to win. There will be movie night on Friday and Saturday.

New Business:

Garage sale full of RC Airplane items that is listed at the top of the newsletter.

Jeff said the sanctioned Heli-Fun-Fly will be on May 14th, 15th, 16th. 2027.

Upcoming Events:

The Dawn Patrol Fun Fly will be held July 24th, 25th, & 26th, at the SAM Field, on Cox Lane in Oroville. If you put the address of 930 Cox Lane, Oroville, CA, in Google Maps, it will be very close to the location. There is a green, chain-link fence enclosing a huge array of solar panels. When you see the fence, you are there. Continue driving to the dirt path, go through the gate, follow the trail around the fence and you will be there. The entrance will be marked with a sign as well. This will be for Warbirds and planes into the 1930's only. Larry will be barbequing lunch as well, so even if you don't have a Warbird come out to watch and have lunch. The lunch is well worth the drive by itself!!!!!!
